# ABOUT *the Conference*

*"Dear past, thanks for all the lessons. Dear future, I'm ready." Facebook*

As a mission-dedicated, excellence-fixated aging services provider, you and your team must plan and execute for the future, even while you take care of today's needs. Conventional models of service delivery are being overtaken by the future... at an ever more rapid and unpredictable pace. Plan to join your colleagues at the 2019 LeadingAge Kansas Spring Conference and Expo for cutting-edge education, a great trade show, special events and countless networking opportunities. This year's event is packed with sessions about future (and current) trends and disruptors in aging services, clinical care and behavioral health, reimbursement and regulatory compliance and more. And be prepared to be inspired and have your funny bone tickled with our conference closer. We look forward to a great time together in May!

## **CMS' NEW PATIENT-DRIVEN PAYMENT MODEL (PDPM): A HIGHER LINK BETWEEN PATIENT CARE & PAYMENT**

**MAY 7<sup>TH</sup> 10:30 – 11:30 AM**

*John Harned, LNHA, CPA @ Sherri Robbins, BSN, RN, CLNC, RAC-CT; BKD National Health Care Group*

In this session you will gain a multi-disciplinary view of PDPM and be given the key changes from RUG-IV to PDPM. This will be an opportunity to learn the basic drivers of payment under PDPM, share skills and identify creative ideas for preparing for PDPM.

## **MDS CHANGES FOR THE PATIENT DRIVEN PAYMENT MODEL (PDPM)**

**MAY 7<sup>TH</sup> 2:30 – 3:30 PM**

*Sherri Robbins, BSN, RN, CLNC, RAC-CT @ John Harned, LNHA, CPA; BKD National Health Care Group*

Learn the additional items added to MDS 3.0 beginning October 1, 2019 and understand the transition from the RUG payment model to PDPM. This session will help you understand the MDS schedule for PDPM.

## **PURPOSEFUL PREPARATION FOR PHASE 3**

**MAY 7<sup>TH</sup> 10:30 – 11:30 AM & 2:30 – 3:30 PM**

*Louann Lawson, BA, RN, RAC-CT, CIMT; Pathway Health Services*

This session will provide the participant with helpful information to prepare for implementing Phase 3 regulations related to the State Operations Appendix PP for long term care. While it may seem that the first two phases included the most work, Phase 3 includes comprehensive programmatic changes that will require extensive training for staff members.

## **STATE LEGISLATIVE AND REGULATORY UPDATE**

**MAY 7<sup>TH</sup> 3:45 – 4:45 PM | MAY 8<sup>TH</sup> 10:45 – 11:45 AM**

*Rachel Monger, JD, LNHA, VP of Government Affairs; LeadingAge Kansas*

The 2019 Kansas Legislative Session has been a wild ride. Now that the dust is settling, come learn about what was considered, passed, killed, and how LeadingAge Kansas weighed in. Also, get an up-to-the minute report on headline news at KDADS.

## **VIRTUAL REALITY BENEFITING THE LIVES OF SENIORS**

**MAY 7<sup>TH</sup> 10:30 – 11:30 AM**

*Chris Brickler, CEO @ Co-Founder; MyndVR*

In this session Chris will teach you about the revolutionary technology involved in virtual reality and how it benefits seniors. MyndVR has curated a vast library of VR content and creates original programming designed for both recreational and therapeutic effects. In addition, the company is working with leading US universities and researchers to study the potential health benefits of VR for our dynamic and aging population.

## **WHAT DOES THE FUTURE HOLD FOR NOT-FOR-PROFIT SENIOR LIVING?**

**MAY 7<sup>TH</sup> 2:30 – 3:30 PM & 3:45 – 4:45 PM**

*Lisa McCracken, Director Senior Living Research and Development; Ziegler*

There is little doubt that the senior living sector has become more complex and that there are a number of factors that are disrupting business as usual. These disruptors include workforce pressures, a dynamic healthcare (and skilled nursing) environment, and technological innovation to name a few. This session will highlight trends that are reshaping our work and will provide guidance on what providers need to consider as they position themselves for future success.

## **TECHNOLOGY IS WHAT YOU MAKE OF IT**

**MAY 7<sup>TH</sup> 3:45 – 4:45 PM**

*Jerry Horton, Technology Director, CISSP; Blue Valley Telecommunications/Networks Plus*

Technology seems to be creeping into every facet of our daily lives - computers, smart devices, artificial intelligence, and the ever-present Internet of Everything - and it all sometimes seems to be overwhelming. Technology is purposefully built to enhance our lives and make our jobs more efficient and accurate, but the sheer volume of choices and how to make it all work securely can be daunting or even frightening. This session will cover the wonderful things technology can accomplish, as well as some cautions about how to set it up to make it a useful tool and not an annoyance.

## **EMBRACING TECHNOLOGY TO SUCCESSFULLY ADOPT PDPM REGULATION**

**MAY 8<sup>TH</sup> 10:45 – 11:45 AM & 1:30 – 2:30 PM**

*Hannah Patterson, VP, Post-Acute Solutions; Netsmart*

During this session, you will learn how to ensure your organization is proactively preparing for PDPM. You will learn how to evaluate the current state of your organization, technology deployment, and next steps to meet the October 1st deadline.

# Clinical Care | Behavioral Health **TRACK**

## **MENTAL HEALTH FIRST AID FOR OLDER ADULTS**

**MAY 7<sup>TH</sup> 10:30 – 11:30 AM | MAY 8<sup>TH</sup> 10:45 – 11:45 AM**

*Julia Gaughan, Prevention & Education Manager; Bert Nash Community Mental Health Center*

In this session you will learn what mental health first aid is and whether it might be the right type of training for your organization. You will learn about barriers to treatment and recovery while caring for older adults with mental illness and substance use disorders.

## **DEALING WITH CHALLENGING BEHAVIORS OF DEMENTIA IN CARE SETTINGS**

**MAY 7<sup>TH</sup> 2:30 – 3:30 PM | MAY 8<sup>TH</sup> 1:30 – 2:30 PM**

*Vincent Tafolla, LMSW @ Terresia Dubois, LCSW; Prairie View Health*

Aside from the symptoms of dementia, there are many other factors that play a huge role in shaping someone's experience. These include: relationships, environment, and support. It is important for the caregiver to have an understanding of the impact of the condition on the person with dementia and to see things from their perspective, as far as possible.

## **TRAUMA INFORMED CARE: PREPARATION FOR PHASE III REQUIREMENTS**

**MAY 7<sup>TH</sup> 3:45 – 4:45 PM**

*Louann Lawson, BA, RN, RAC-CT, CIMT; Pathway Health Services*

This session will provide LTC leaders the elements required for Behavioral Health under the Requirements of Participation for Skilled Nursing Facilities. You will learn where to find helpful resources to assist with creation of a behavioral health program.

## **GRAB A BEERS LIST: MEDICATION MANAGEMENT FOR OLDER ADULTS**

**MAY 8<sup>TH</sup> 10:45 – 11:45 AM & 1:30 – 2:30 PM**

*Amy Siple, APRN, FNP, GS-C and Associate Professor of Nursing; Wichita Medical Associates and Newman University*

This interactive presentation addresses the unique pharmacologic risk factors that older adults face. A review of pharmacokinetic related age changes will be addressed along with current recommendations for older adult medication management. Interactive cases will help guide the participant in identifying adverse drug events related to high risk agents.

# 2030 SCENARIO PLANNING WORLD CAFÉ

The rapid changes taking place in our field and uncertainties about public policy have led many LeadingAge Kansas members to wonder about the future — the threats, opportunities and realities. In response — and in keeping with our mission as the trusted voice for aging — we have seized the opportunity to take some positive steps to think into the future — a future that extends well beyond the end of the fiscal year. Join us for a robust discussion as we dive into 4 possible future scenarios that could affect aging services. This interactive session will put you in the driver's seat as you look into the future. The session will also provide information and fodder for you to bring back and discuss with your team and/or board of directors. We will utilize fun technology to provide real-time feedback to the audience.

## LEADINGAGE KANSAS MOBILE APP WILL AGAIN BE A PART OF THIS YEAR'S CONFERENCE!

### KEYNOTE *Speakers*

#### **MATT THORNHILL**

FOUNDER & MANAGING PARTNER, INSTITUTE FOR TOMORROW

**Tomorrow's Senior Living Opportunity: How to be Netflix in a Blockbuster World**

We all know change is coming to senior living, but what? When? How? And importantly, who? In this eye-opening keynote, Matt Thornhill -- futurist, generations expert, and co-founder of the think tank Institute for Tomorrow -- will share insights and perspectives on the future. In this informative and provocative session, you'll gain a better understanding of the relevant trends impacting senior living and how understanding the mindsets and preferences of today's Boomers will create new opportunities in the segment.

#### **KAY FRANCES**

STRESS SPECIALIST/MBA, BS, CSP

**Managing the Stress of Change**

Feeling stressed? Worried about change? It's Kay Frances to the STRESS-cue! In this motivational and hilarious presentation, Kay's humor combined with her expertise in stress and change management will not only offer useful information but will show you a rollicking good time in the process. You'll laugh while you learn without straining your brain. In today's world of aging services and long-term care, change is a way of life. Change within an organization is often rapid and unexpected, so managing change becomes a vital part of any employee or manager's work life.

## LEADINGAGE KANSAS FOUNDATION
