

TeamSTEPPS® Module Six Supplies

Evaluating TeamSTEPPS® Worksheet

Quality Measure Data- Our training looked at QM data on Long-Stay Antipsychotic use rates from 2013- the most recently released data. If you would like to have AP or other QM data in chart form to use in your training contact Stephanie Gfeller stephanie@leadingagekansas.org or 785-233-7443.

Internet access- will be used to show video clips

Implementation Worksheet – one per person

Optional - Flip chart and markers can be used to write down participant responses and as a parking lot like we did in the regional trainings.
